NEC Power & Pumps Rebrands as NEC Energy, Introduces NEC Water & Pumps

Windhoek - **NEC (Pty) Ltd** is pleased to announce a significant rebranding initiative and the introduction of a new operating entity. Effective immediately, NEC Power & Pumps will be rebranded as **NEC Energy**, signaling a strategic shift towards providing cutting-edge energy solutions.

In addition to this exciting transformation, we are excited to introduce **NEC Water & Pumps**, formerly known as Opomwene NEC (Pty) Ltd. NEC Water & Pumps will operate alongside NEC Energy, offering high-quality pumping and bulk water Storage solutions to our esteemed clientele.

It's important to emphasize that these changes will not disrupt any ongoing projects or commitments. Current and future projects will proceed as planned, with our unwavering commitment to excellence remaining unchanged.

"This rebranding initiative marks a significant milestone in our company's journey," said Johan Hansen (Company Director of NEC (Pty) Ltd). "We are excited about the opportunities ahead and remain dedicated to delivering exceptional service and innovative solutions to our valued partners and clients."
